

Classwork 4-28-2020

Today we will practice adding on the place value chart

Lesson Plans: 4/28/2020

Where To Find Your Work: <https://lynnncronin.weebly.com>

Learning Objectives: today we will practice adding in the place value chart with numbers that carry to the next place value

Learning Activities: PowerPoint, Quizlet, First-In-Math

How I will see/check your work: please email or text me your answers and tell me how you are doing

How We Communicate: lcronin@wtps.org / 856-857-7707

Grade 4 - MA.4.NBT.A.1, MA.4.NBT.A.2, MA.4.NBT.A.3, MA.4.NBT.B, MA.4.NBT.B.4, MA.4.NBT.B.5

Add 700 to this number

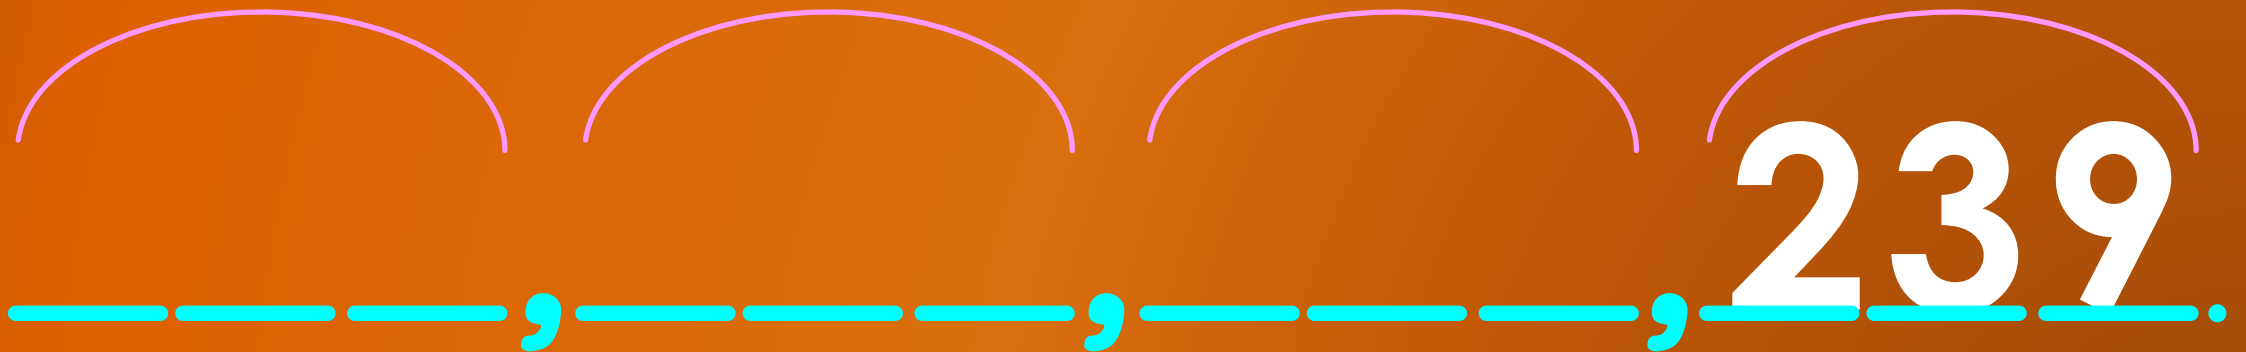

Billions

Millions

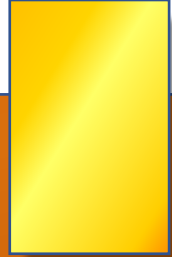

Thousands

Ones

Add 700 to this number

Which place is 700 in?

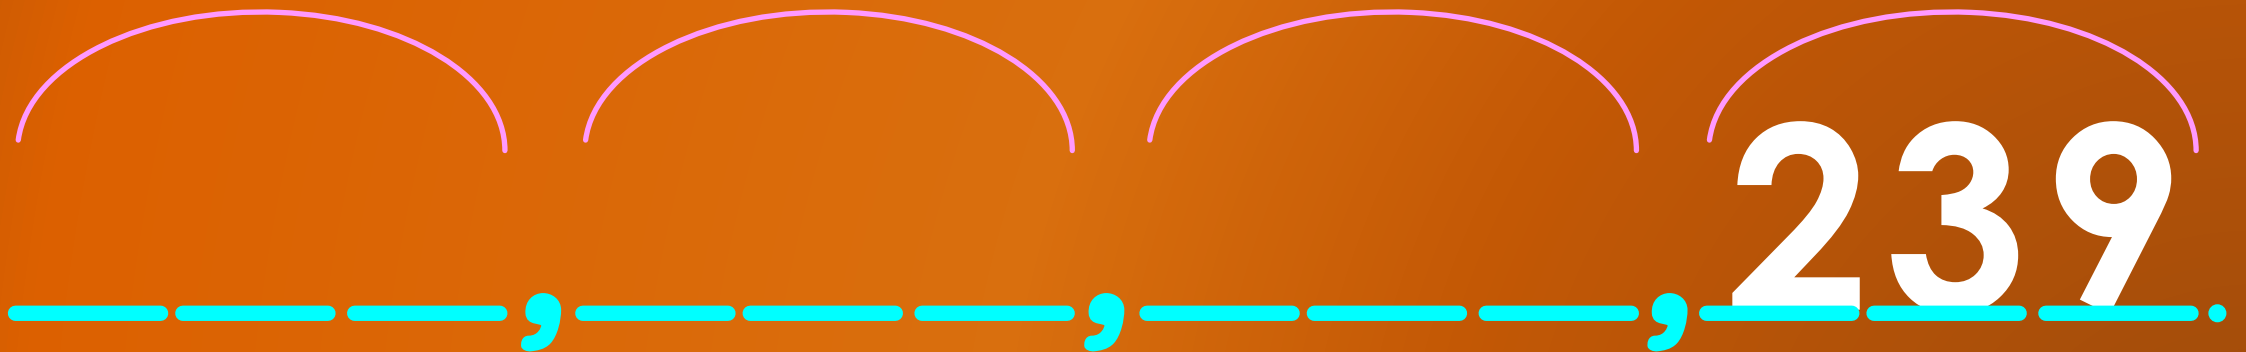

Billions

Millions

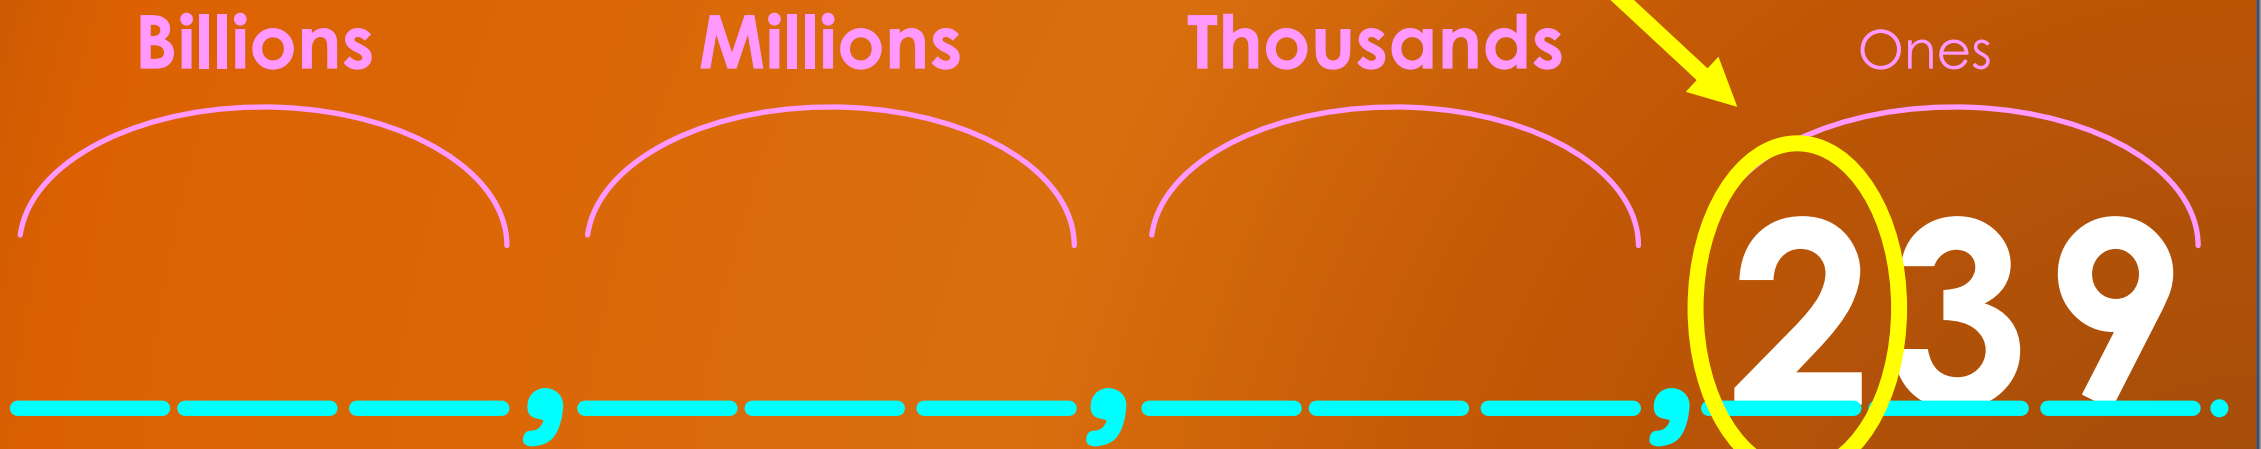

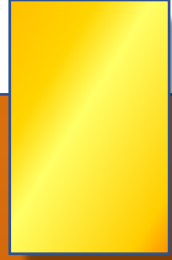

Thousands

Ones

Add 700 to this number

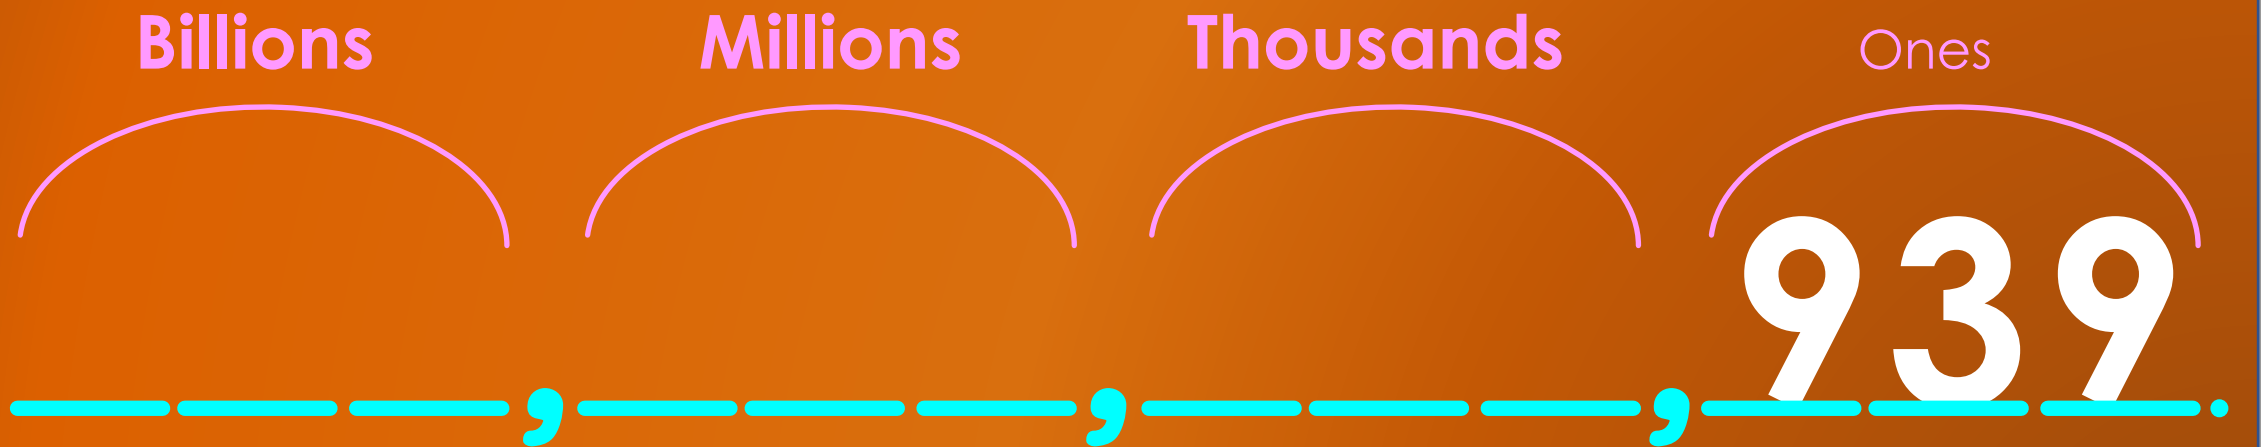

The hundreds place has a 2 in it
so add 2 + 7

Add 700 to this number

$2 + 7 = 9$ so...
 $239 + 700 = 939$

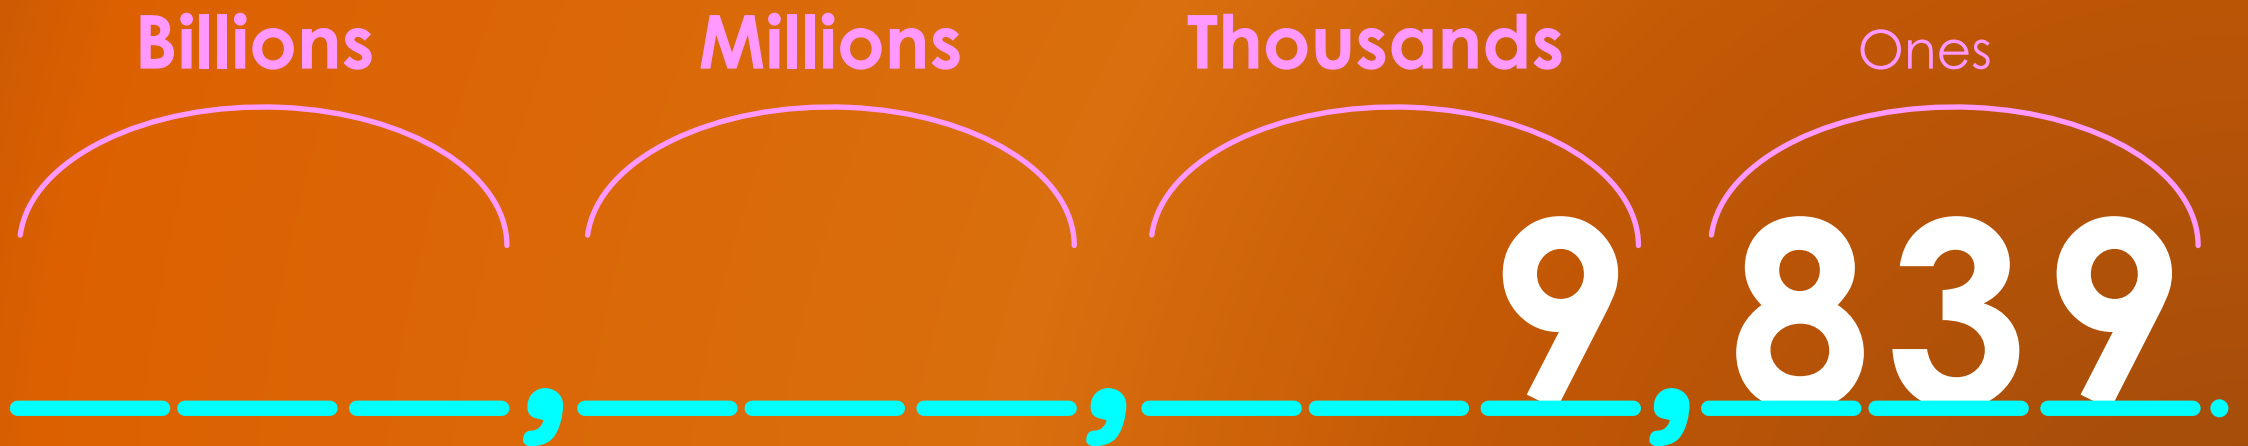

Add 700 to this number

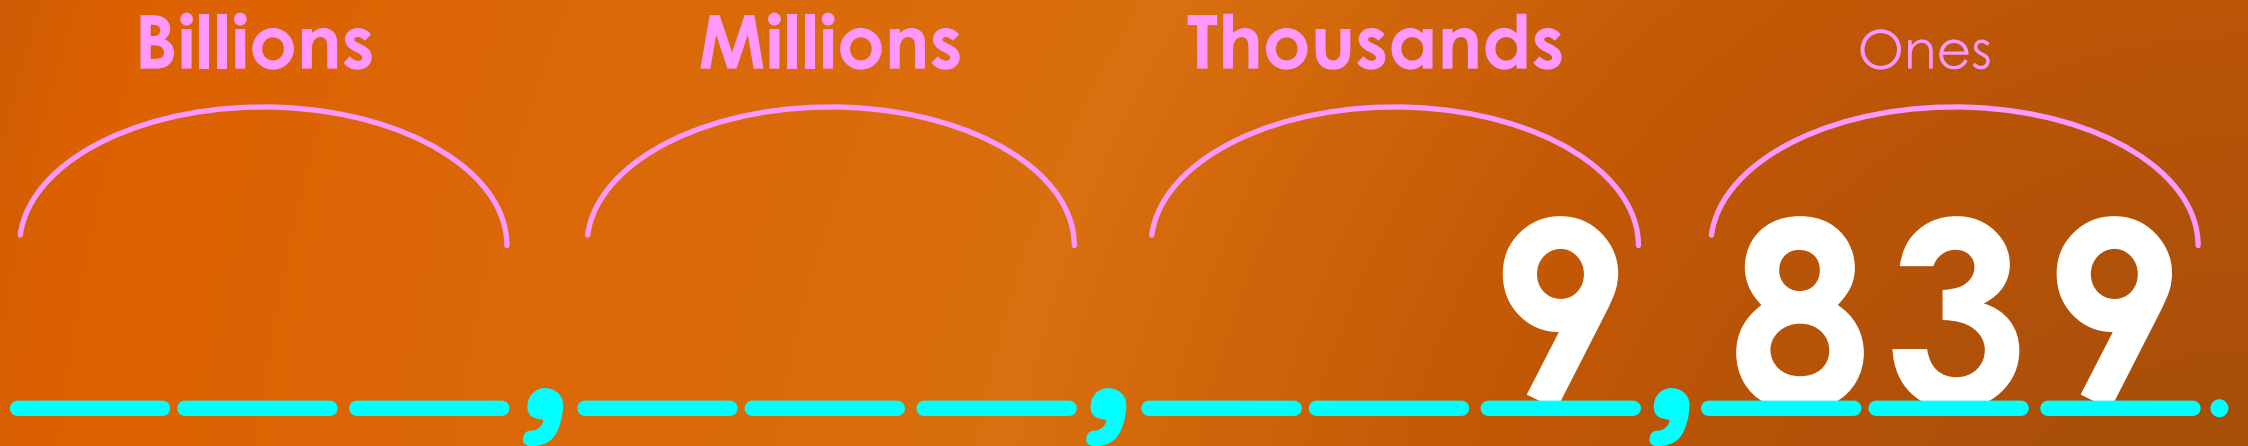

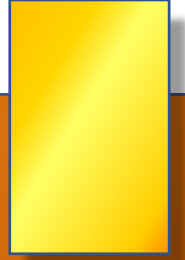

Add 5,000 to this number.

Add five thousand to this number

Add 5,000 to this number

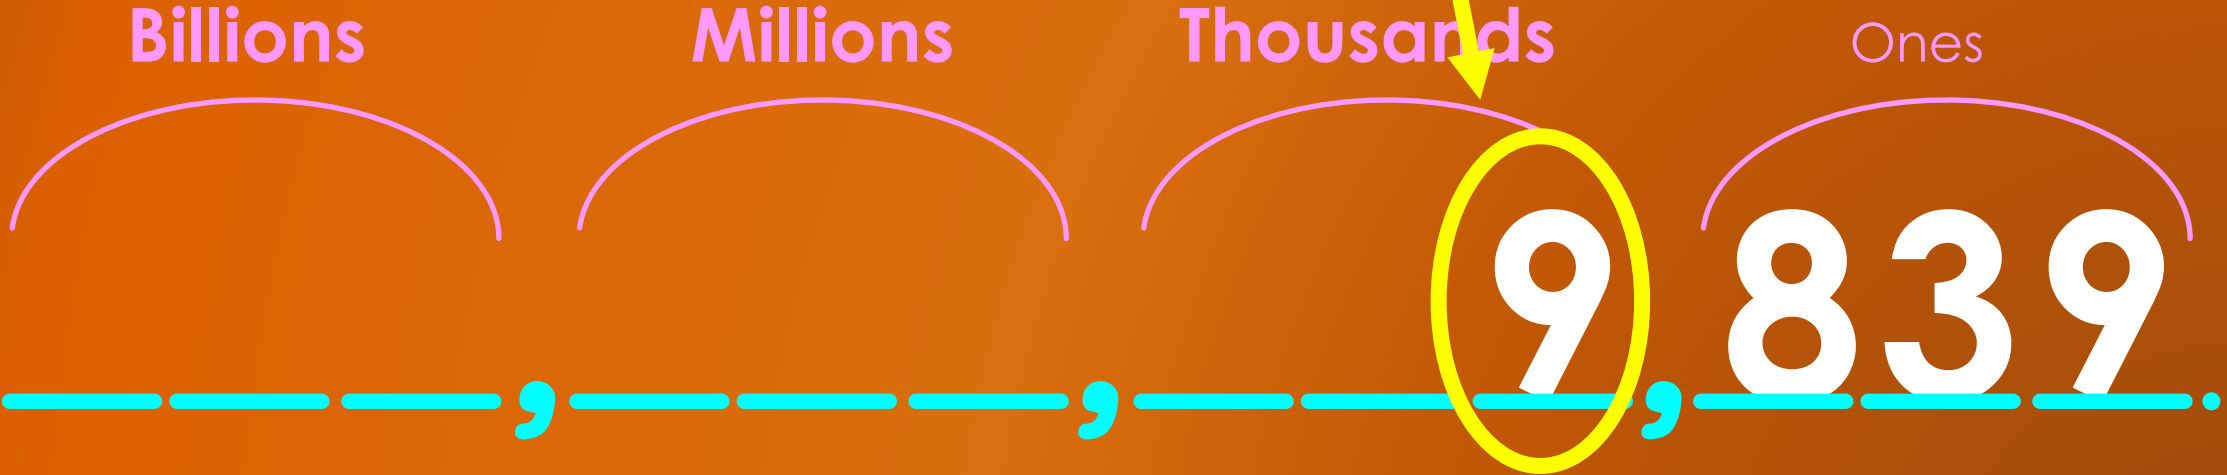

Which place value is 5,000 in?

Add 5,000 to this number

The thousands place has a 9 in it

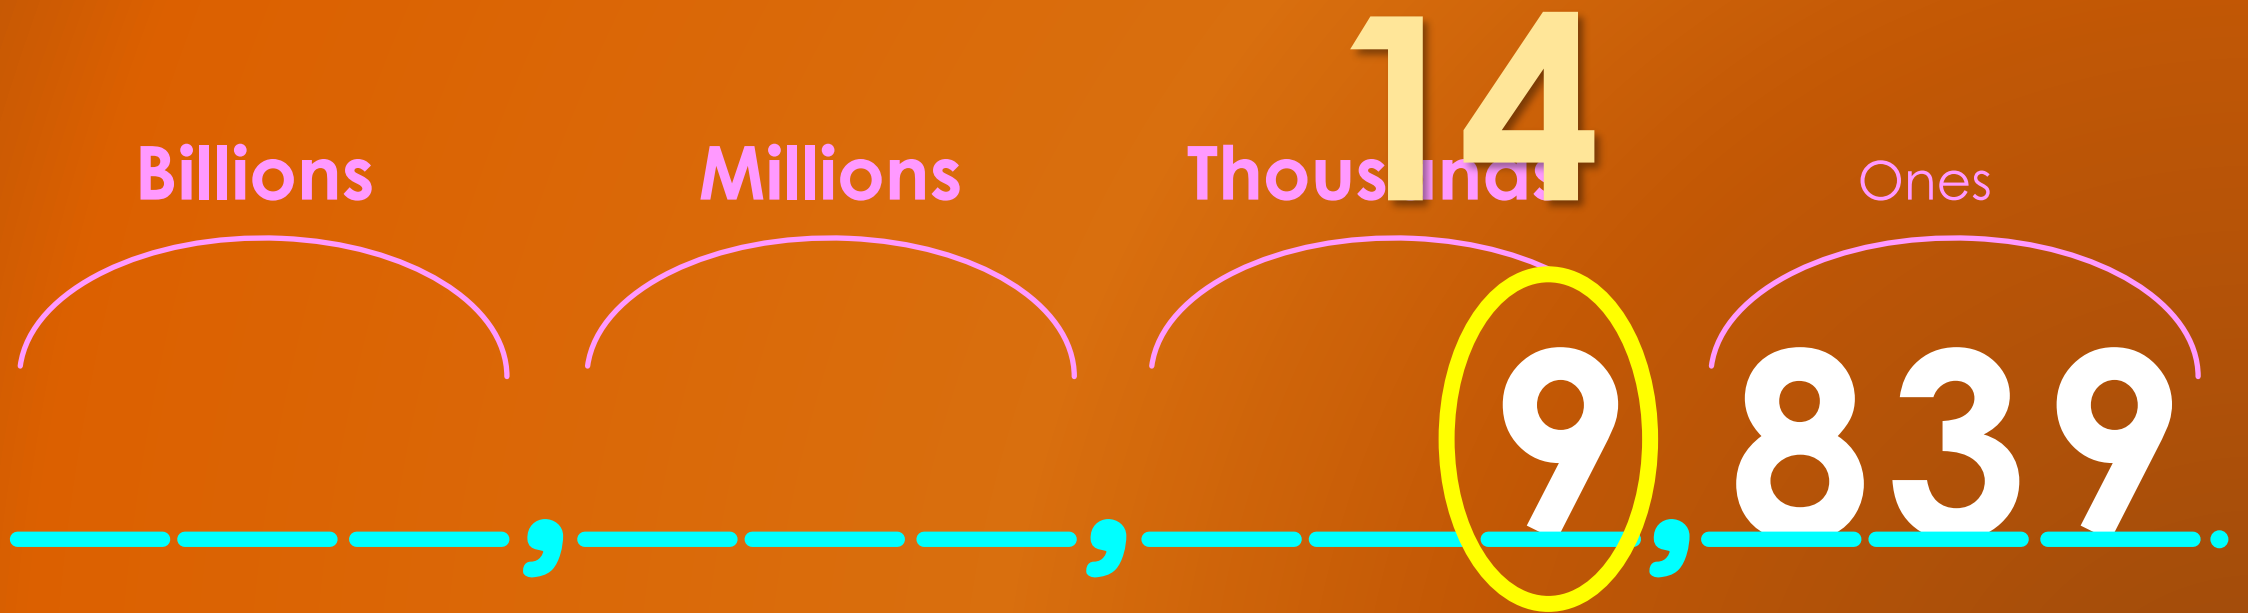

So add $9 + 5$

Add 5,000 to this number

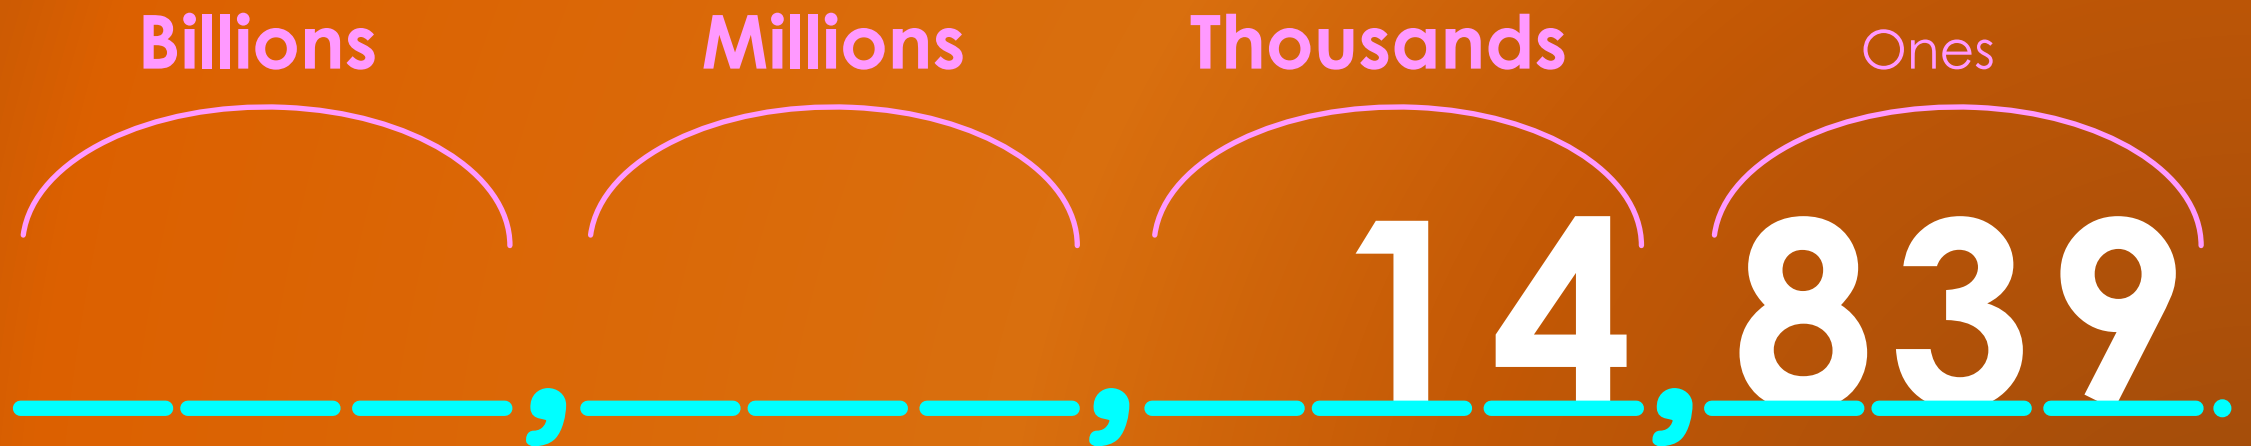

OK – the 9 turns into a 14
Where do you write that?

Add 5,000 to this number

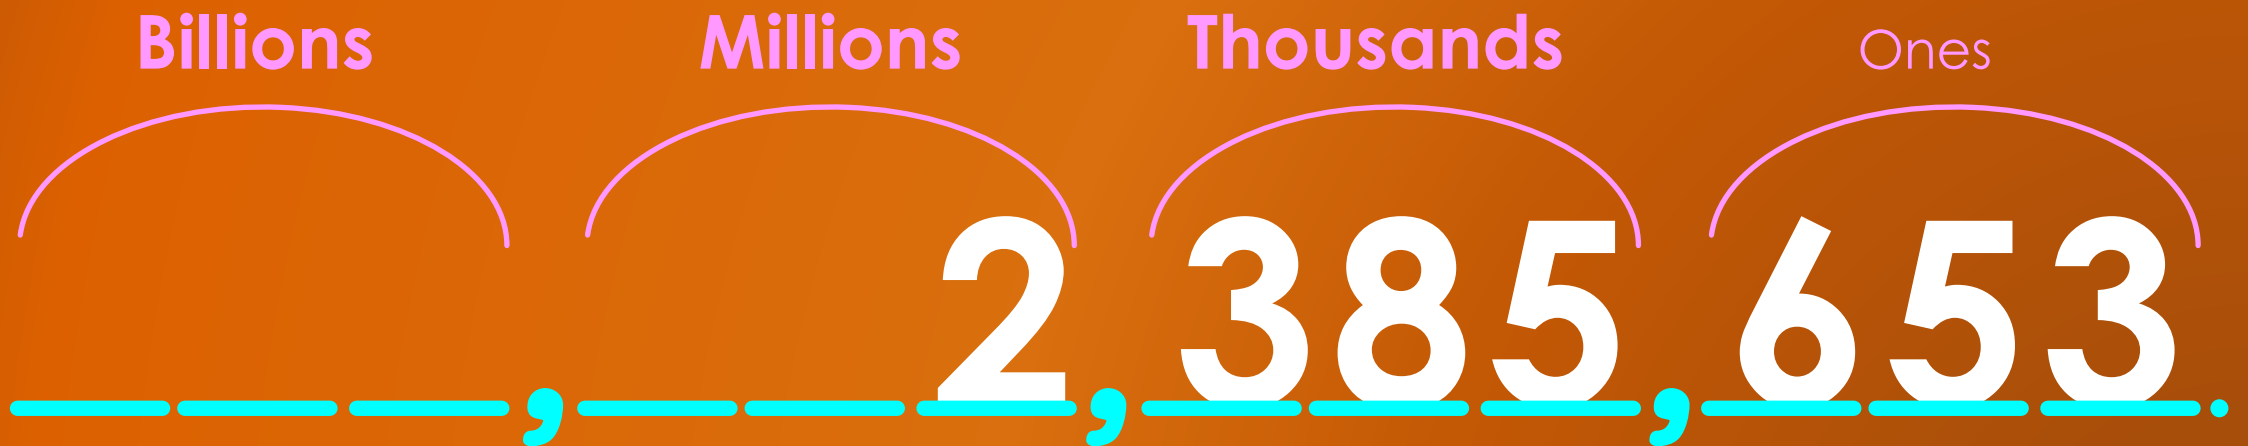

So the 4 in the 14 replaces the nine
and the 1 moves to the next place value.

$$9,839 + 5,000 = 14,839$$

Add 5,000 to this number

Which place value is 6,00,000 in?

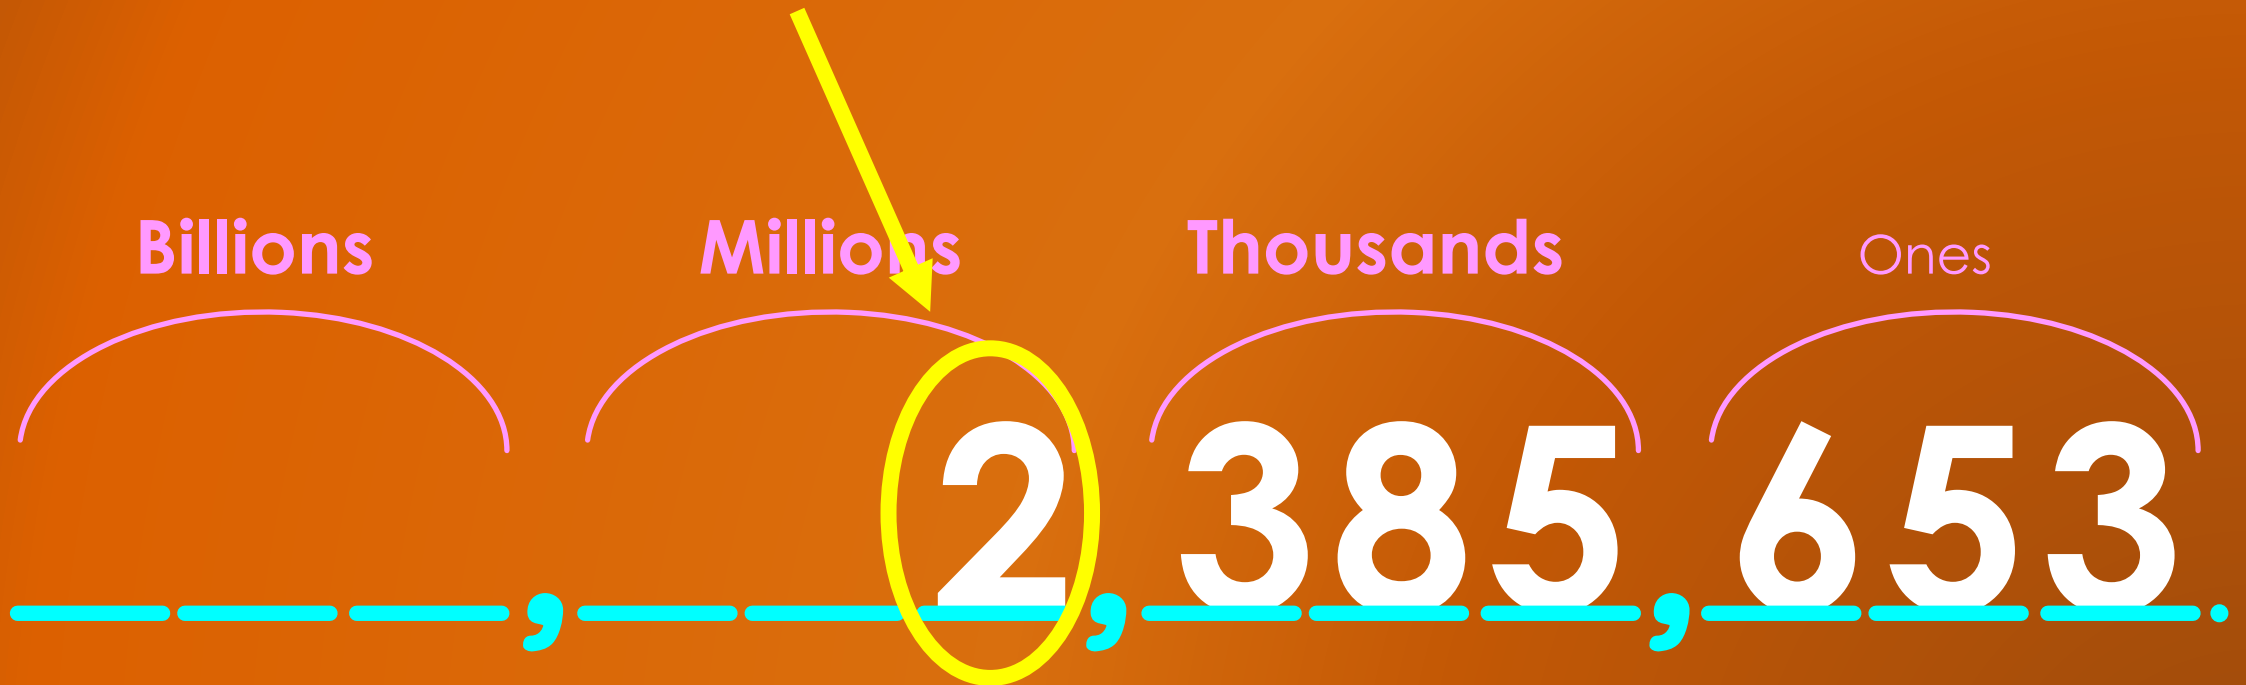

Add 6,000,000 to this number

The million's place

Add 6 million to 2 million and what do you get?

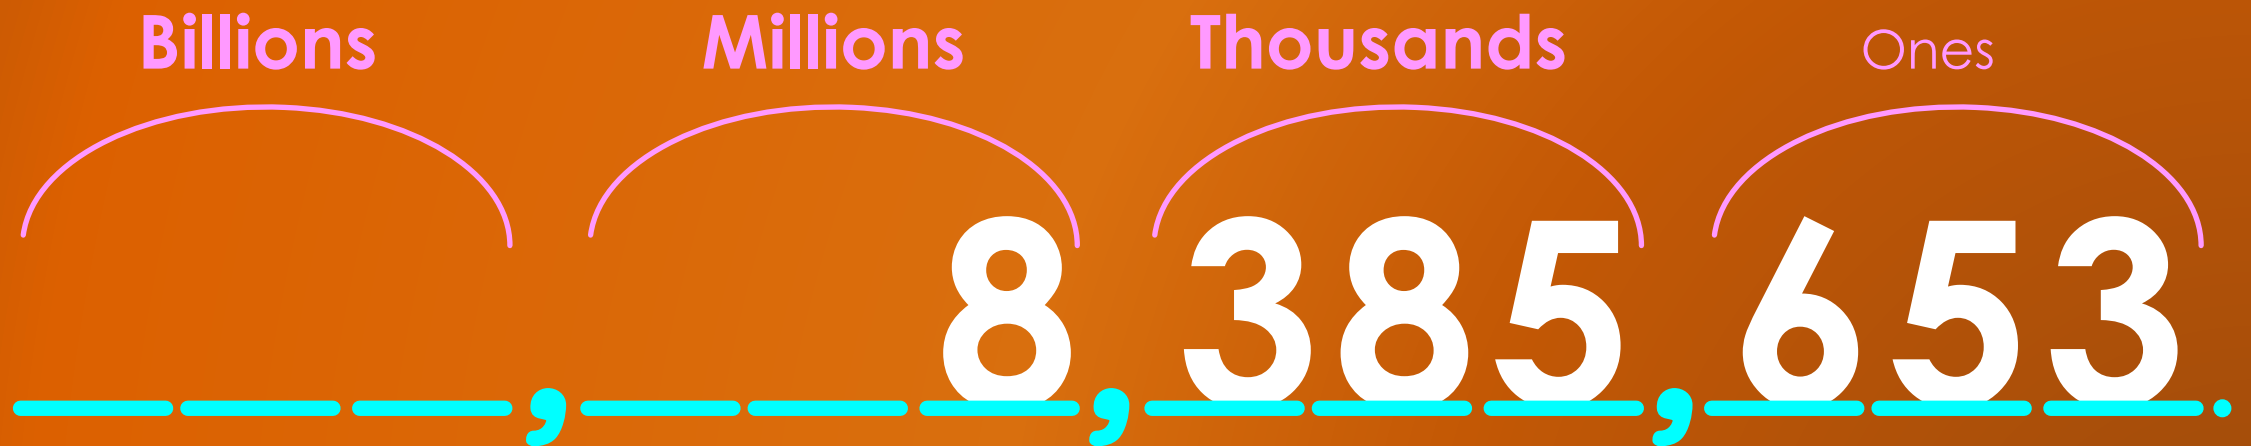

(do the work and check it on the next page)

Add 6,000,000 to this number

$$6 + 2 = 8 \text{ million}$$

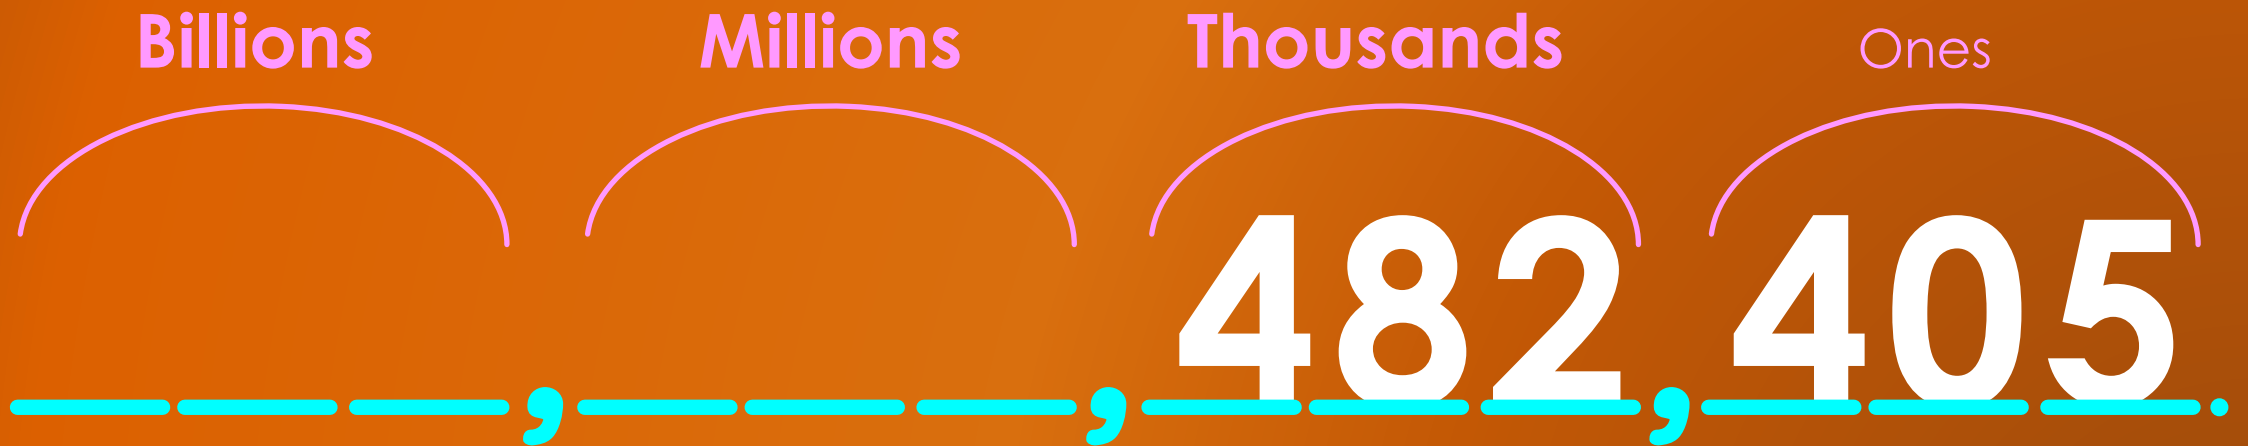

(and all the other numbers stay the same)

Add 6,000,000 to this number

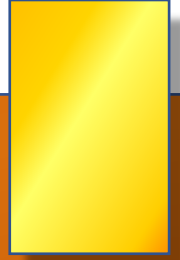

Add 700,000 to this number
(add seven hundred thousand)

Add 700,000 to this number

Which place is 700,000 in?

Billions

Millions

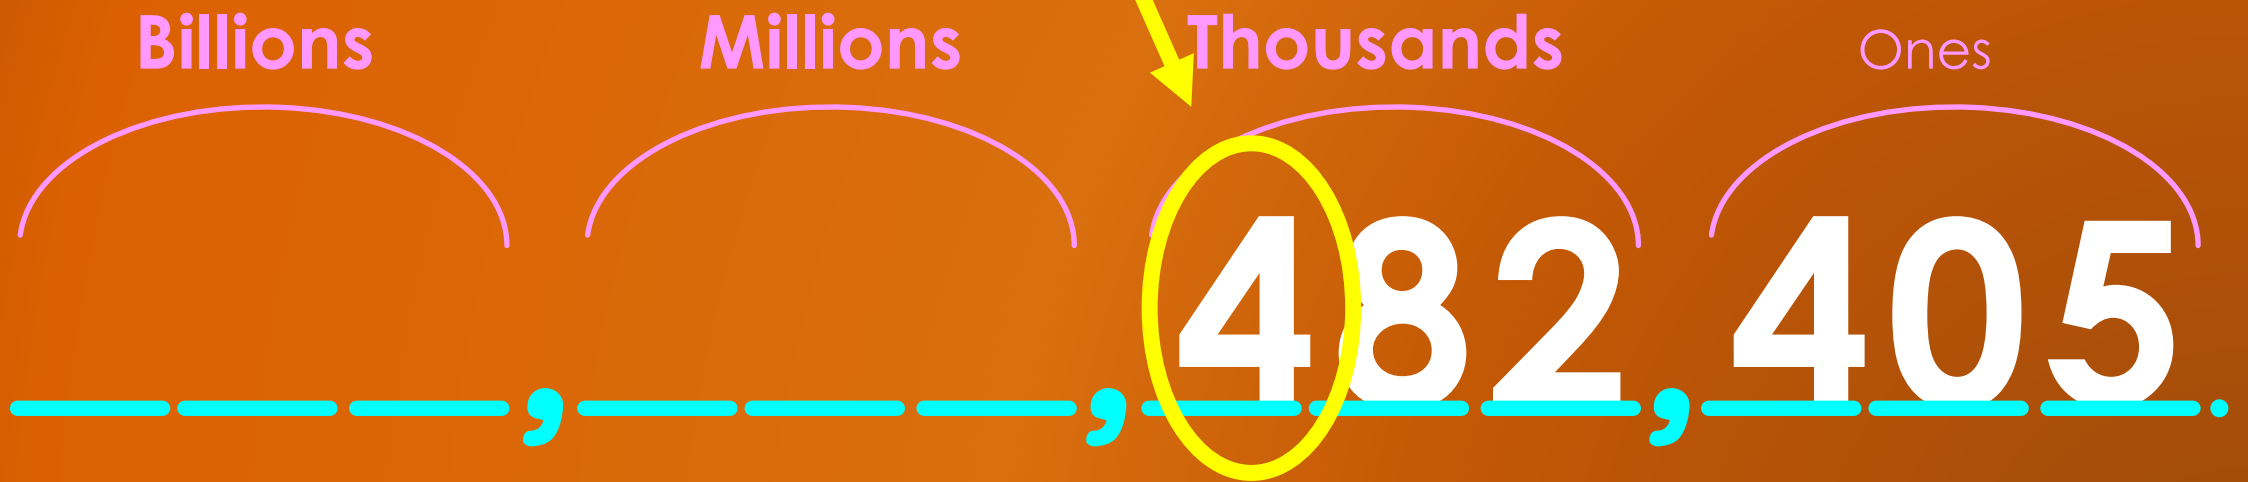

Thousands

Ones

Add 700,000 to this number

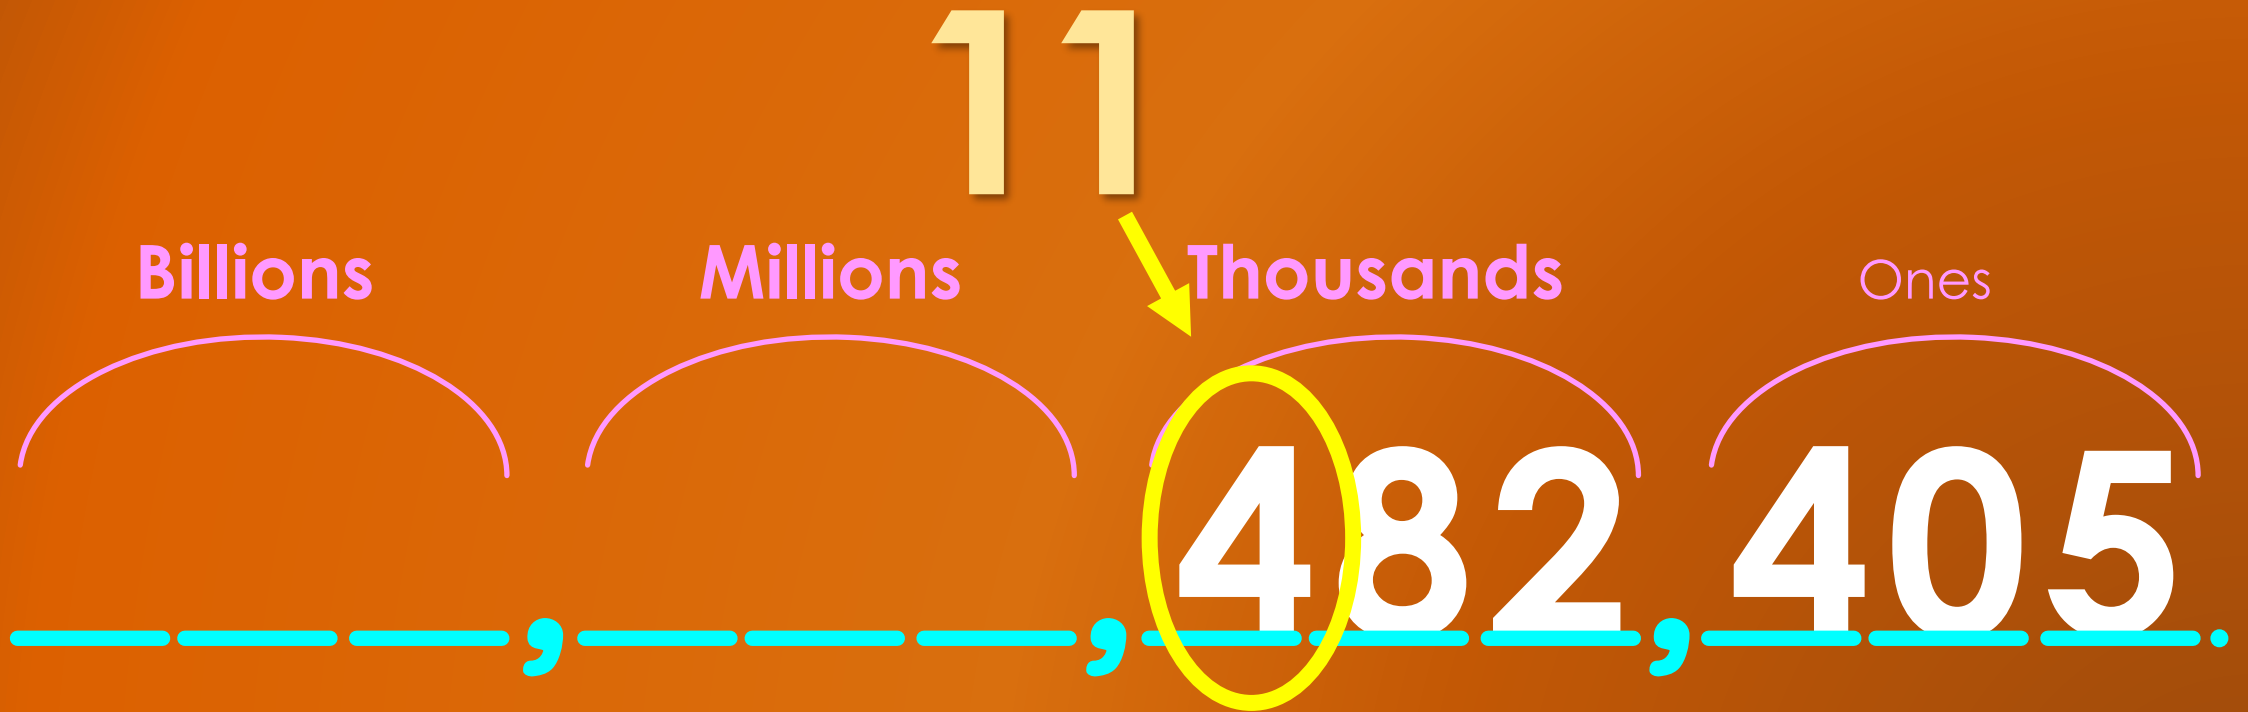

It's in the hundred thousands place
Now add 7 to the 4 that is already there

Add 700,000 to this number

7 + 4 = 11 How do I write that?

(figure it out then check your answer on the next page)

Add 700,000 to this number

$$482,405 + 700,00 = 1,182,405$$

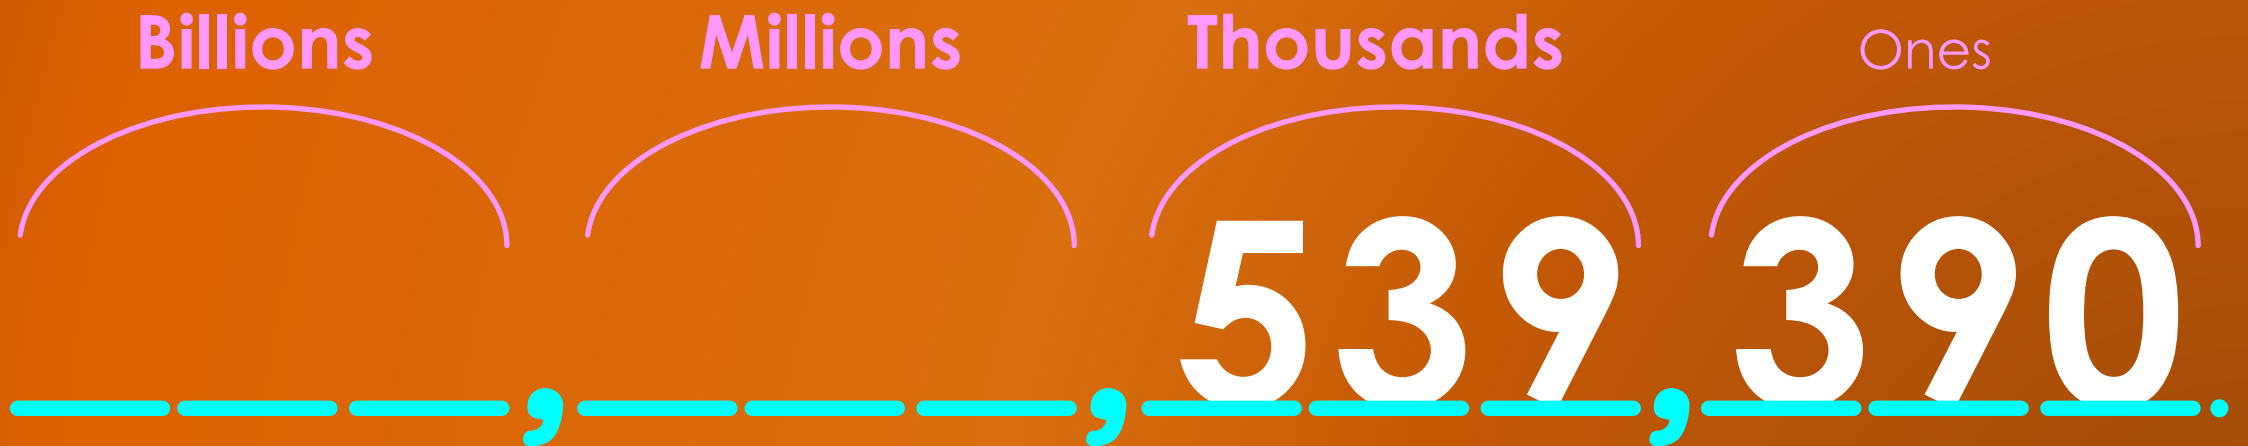

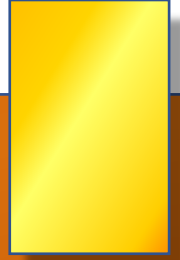

Billions Millions Thousands Ones

_____ , _____ , _____ , _____ .

1,182,405

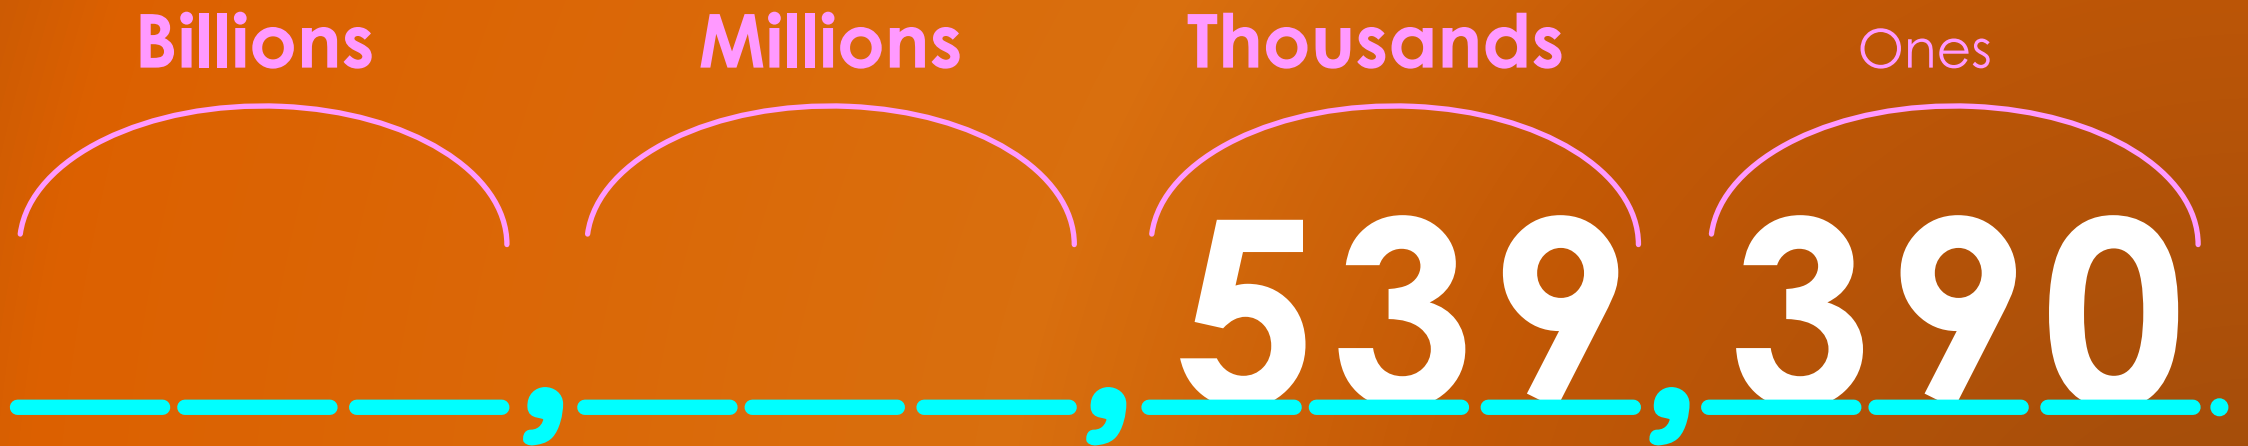

Add 700,000 to this number

5 practice problems.
Find the answer and send it to me.

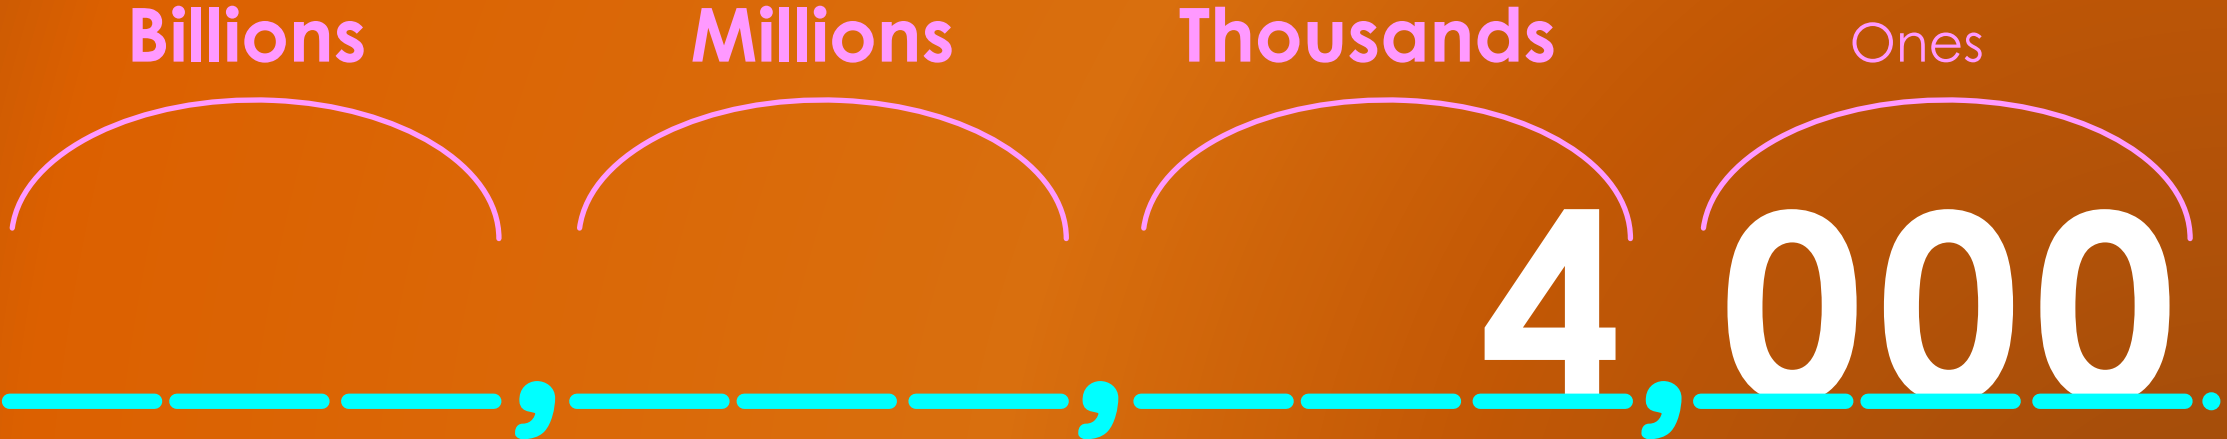

1. Add 600,000 to this number
(add 6 hundred thousand)

Add 600,000 to this number

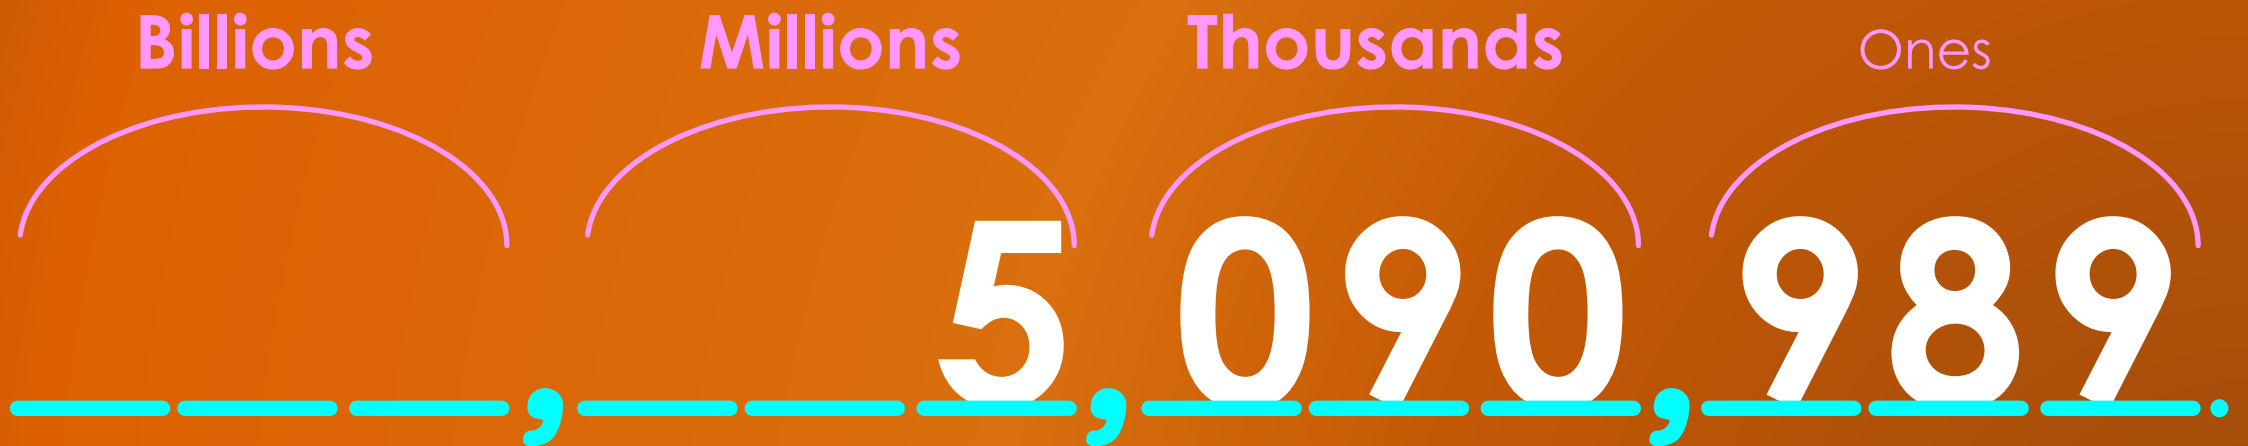

2. Add 7,000 to this number
(add 7 thousand)

Add 7,000 to this number

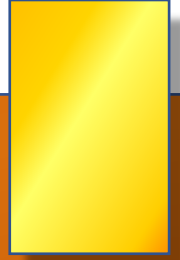

3. Add 4,000,000 to this number

(add 4 million)

Add 4,000,000 to this number

4. Add 4,000,000,000 to this number
(add 4 billion)

Billions

Millions

Thousands

Ones

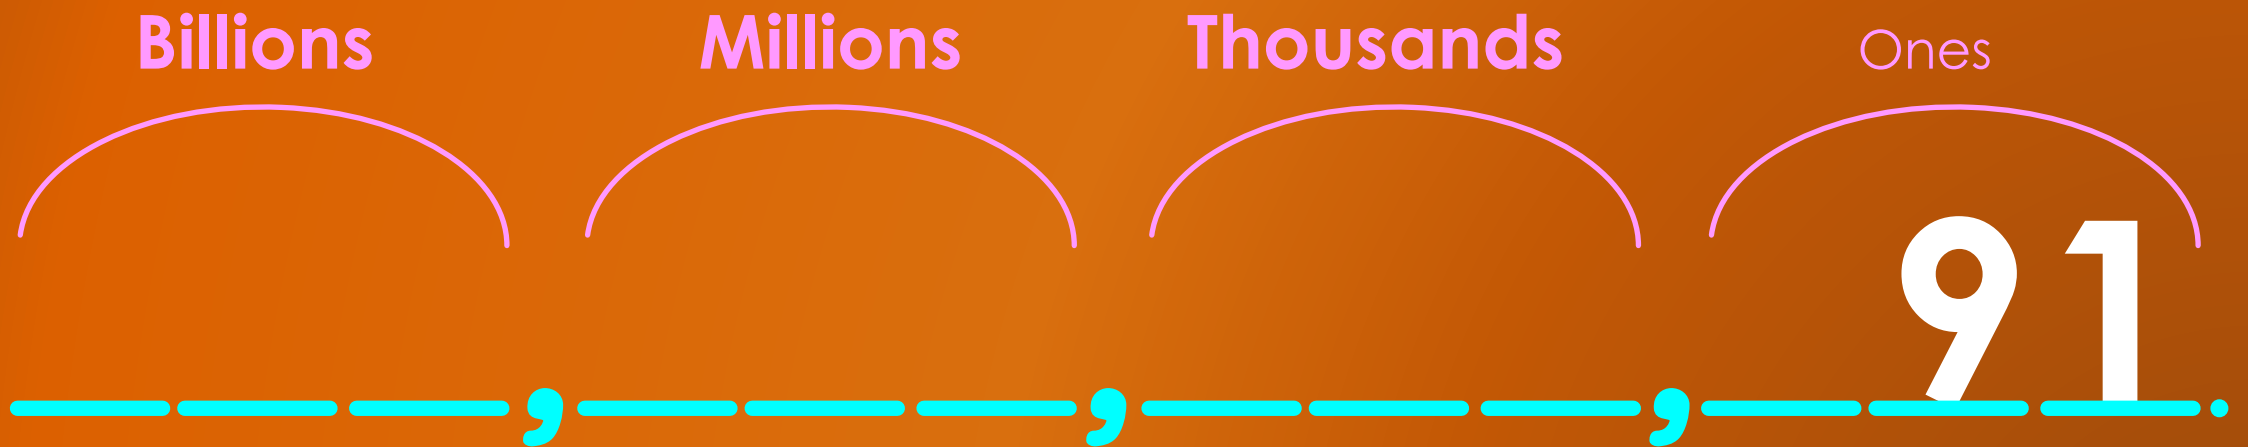

472,948,943,243.

Add 4,000,000,000 to this number

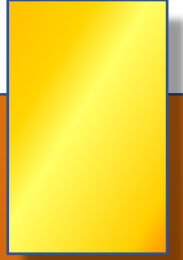

5. Add 8 to this number

(add 8)

Add 8 to this number

Tomorrow you will go to “learn” on Quizlet and send me a picture of your results. They will count as a quiz grade.

Practice today at:

<https://quizlet.com/503636153/week-of-4-27-flash-cards/>

Then spend 10 minutes on First-In-Math
