Free Time Friday

Welcome to our first Free Time Friday!

Wednesday 3/26/2020

Good morning and hello Fifth Graders from Mrs. Cronin!

Where To Find Your Work: <https://lynncronin.weebly.com/> download **3-27-2020 Grade 5 Free Time Friday.**

Learning Objectives: Today we will take a quiz on our multiplication tables then spend 10 minutes on First-In-Math. Great work this week!

Learning Activities: Please work through the PowerPoint – finish the learn section of Quizlet then spend 10 minutes on First in Math.

How I will see/check your work: Send me a screen capture of your Quizlet Results! Email me or try OneNote – I think it will work!

How We Communicate: email lcronin@wtps.org

MA.5.NF.A.1, MA.5.NF.A.2, MA.5.NF.B.3

If you set Quizlet up on Monday then when you click this link you can complete your Free Friday Quiz!

If not – go to my Weebly and click on the lessons from 3-23-20 – it will teach you how to setup Quizlet.

**Next, complete 10 minutes
of First-In-Math**

and then

Have a great weekend!
