Leo has 4 purple candies, 6 red candies and 9 blue candies.

How many candies does he have in all?
Let's write the equation first this time!!

Ask Kyrie to tell you how he will figure this out.

Leo has 4 purple candies,
6 red candies and 9 blue candies.
What do we have to do with the numbers?

## Help him

 figure this out.Hint: do we add or subtract?

Yay! We have to add!
$4+6+9=?$

## Help him

 figure this out.

## Let's do it!

What number should we add first?
