

# Classwork 5-29-2020

How can it be Friday already? **Love these short weeks!**

Today you will prove how well you are doing with multiplication, then get your well deserved free time!

Good morning and Hello from Mrs. Cronin!  
**Today is 5/29/2020**

**Where To Find Your Work:** <https://lynnncronin.weebly.com/>

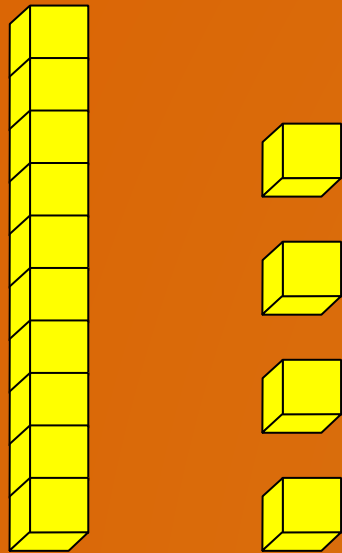

**Learning Objectives:** How can it be Friday already? Love these short weeks! Today you will prove how well you are doing with multiplication, then get your well deserved free time!

**Learning Activities:** PowerPoint, Quizlet, FIM

**How We Communicate:** [lcronin@wtps.org](mailto:lcronin@wtps.org) / 856-857-7707

# Countdown!

Today we have been in school for 166 days, so we have 14 days left!

1

4

Just 14 school days left in the year!

I just found out that the First in Math program will stay live until the end of July so you can keep practicing!

**This week's Quizlet Quiz is here:**
