Yipee!

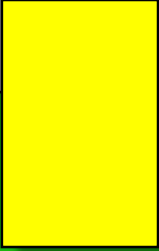

Today I would like to count  
objects in the house.

Please choose two sets of items to count:  
One set small (less than 20)  
the other set large (a little bit more than 100)

# Ideas for the smaller group...

2 dozen eggs = 24 eggs

18 socks in the drawer.

For the larger group

Pennies

Legos

Stuffed animals

Get creative!

but...

# Don't count pasta!

The first thing I thought of was spaghetti.

Did you know that one box of spaghetti has 576 pieces in it?

That is  
way  
too  
much!

Have fun.

See you tomorrow.  
And don't forget  
Thursday is our  
last day!

Let me know how this is going.
