

A photograph showing four hands holding up large, colorful letters to spell out the word 'Math'. The 'M' is orange, the 'a' is lime green, the 't' is light blue, and the 'h' is yellow. The hands are positioned below each letter, supporting them from underneath. The background is plain white.

Math

Third Grade Math

Third Grade Math

Welcome to Third Grade Math!

Everything that I send you will be blue.

When you see the logo above you know that is where you will find your work!

On my website you will see the logo, click on it to see what I want to you look at!

Easy huh?

I am assigning the task of learning how to use the Connected math tools today.

Many of you have already done this so... easy!

**My favorite rule this year:
Never allow yourself to get to frustration!**

Text or call -me instead

856-857-7707

MRS. CRONIN

Make sure that you have your
WTPS login information.

You should be using your student email and
your lunch number for your username and password.

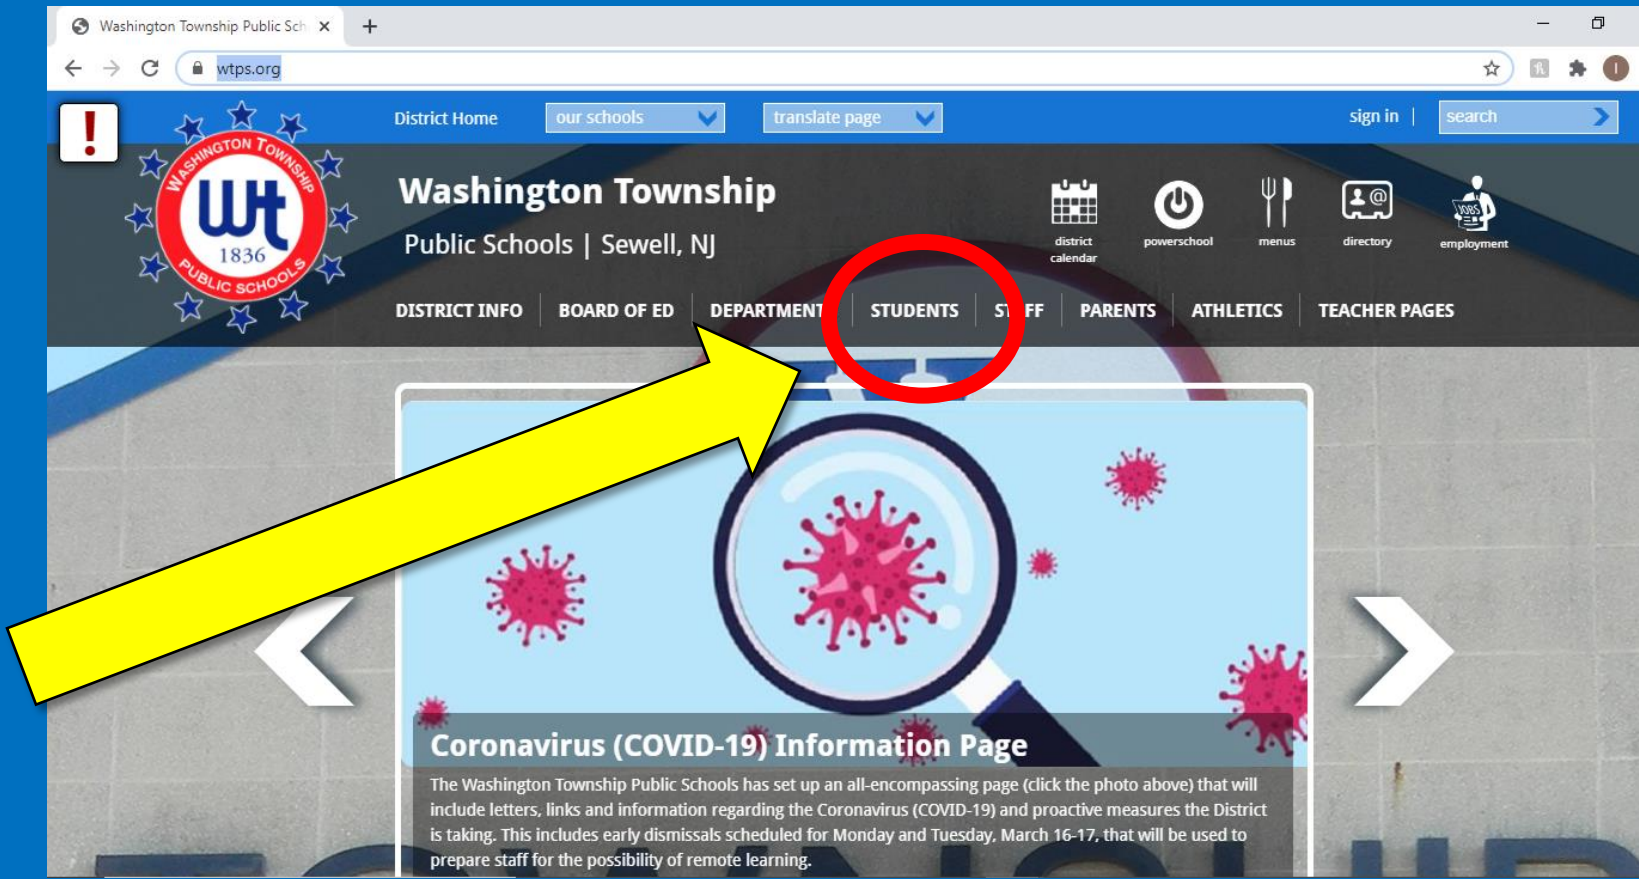

Some of our applications will call your password
a pin - it is still your lunch number.

If you don't know it – text or call me! **856-857-7707**

Go to wtps.org

Click on students
drag to the second word and click on ClassLinks.

<https://myapps.classlink.com/home>

Click on McGraw Hill Education

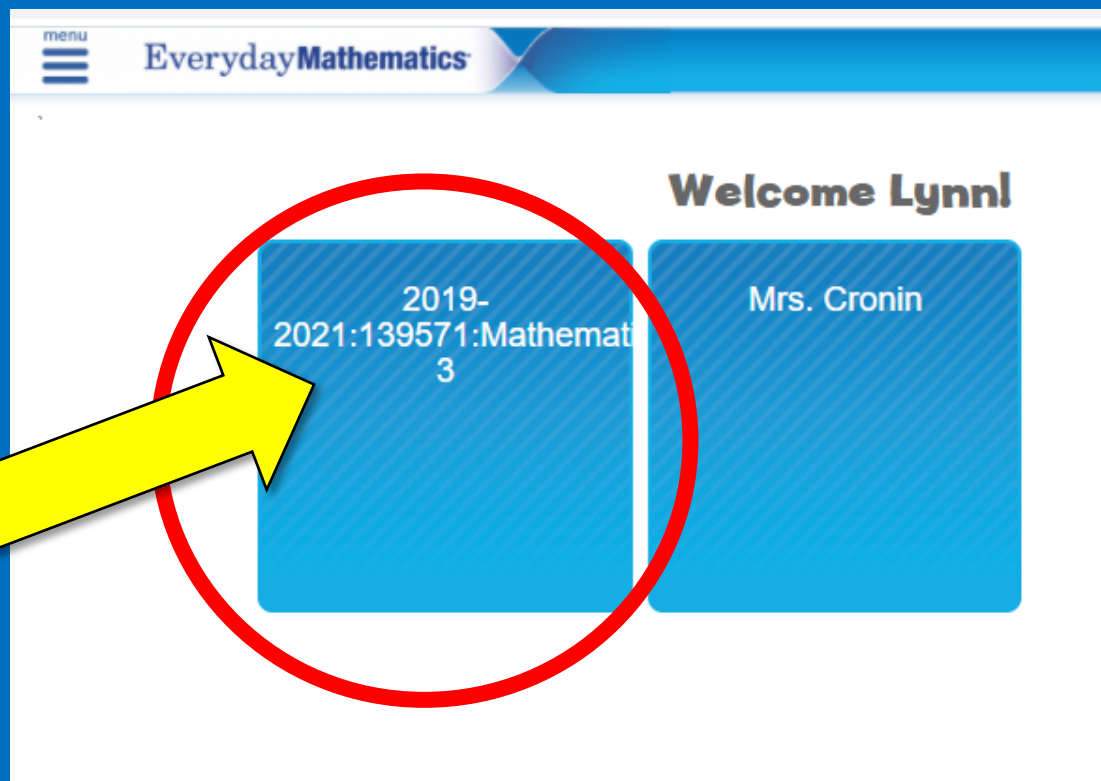

And log in to the program as instructed.

A screenshot of a web browser showing the ClassLink dashboard. The browser address bar displays "myapps.classlink.com/home". The dashboard contains a grid of application icons. The "McGraw Hill Education" icon, which is a red square with white text, is circled in red. A large yellow arrow points from the bottom left towards this icon. Other visible icons include AimswebPlus-WTPS, Class QuickCard, Empati, Nearpod (365), Office 365, OnCourse Systems for Educ..., Realtime SSO, Schoology, Spelling City, Teacher Console, WTPS district login page, WTPS Help Desk, and WTPS homepage. The Windows taskbar at the bottom shows the search bar, task view, and several open applications, with the system tray displaying the time as 8:16 AM on 9/8/2020.

**Click on the first blue block
that you see**

Mine looks like this

Your page should look like this

Click on Lesson 0-0

The screenshot shows the EverydayMathematics website interface. At the top, there is a navigation bar with the "EverydayMathematics" logo and a "menu" icon. Below the navigation bar, the user is greeted with "Welcome, Lynn!" and the date "Tuesday, September 8, 2020". The main content area features a large blue button labeled "Go to Lesson 0-0" which is circled in red. To the right of this button are two other buttons: "My eBooks" (blue) and "eToolkit" (green). At the bottom of the page, there is a row of six smaller buttons: "Geometer's Sketchpad Activities" (purple), "Tutorial Videos" (orange), "EM Games Online" (dark blue), "Favorites" (yellow), "Assignments" (red), and "EM at Home" (brown). A yellow arrow points from the bottom left towards the "Lesson 0-0" button. At the very bottom of the page, there is a footer with links for "Legal", "Privacy and Cookie Notice", "Technical Support", "Minimum Requirements", and "Help", along with a copyright notice for McGraw-Hill Education.

Click on the box with the magnifying glass on it.

There are 6 pages in this section for you to complete.

Follow the instructions and also look around to see what you can find!

I will explain the basic tools on the next several pages if you want to read my explanations.

Remember!

Never allow yourself to become frustrated!

Shoot me a text or give me a call!
